Do you feel like you're always running from one thing to the next, always trying to catch up, or keep your head above water, with no time to take a breath? You're not alone. We are all busy. Some of us can't remember the last time we rested or even had free time. Some view their busy-ness as a badge of productivity, others view it as a mark of their worth or importance, and still others see it as an inescapable reality. But have you ever stopped to consider the negative impact your frantic pace of life is having on you?

**Beginning April 14th** in a new sermon series we'll be addressing one of the greatest threats to our lives: hurry. In this series we'll consider the rhythm of life Jesus invites us to, and how it offers us freedom overflowing with grace, peace and beauty. We don't have to go on allowing our calendars, screens, and hurry to control our lives. There is a better way.

God's love and the Good News that Jesus gives us is the most amazing reason to party. We're inviting all kids who will be attending preschool through fifth grade next fall to join us for **Vacation Bible School on Tuesday – Friday, May 28-31**. The cost is \$20 per child with a max of \$50 per family. Registration is now open, so be sure to let us know that you want to party! Simply scan the QR code or visit <https://www.hinckleyfirstumc.org/events/vbs2024> to register.

All youth- 5th grade and above- are invited to an indoor scavenger hunt at the church on **Sunday, April 14th**. We'll start the scavenger hunt around 10:45 after the service. Teams will see how many clues they can quickly solve to lead them to the prize items. Following the scavenger hunt we'll eat lunch together.
